

The Journal of Biochemical Technology and Authors hereby agree as follows: In consideration of Journal of Biochemical Technology reviewing and editing the following described work for first publication on an exclusive basis:

Title of article:

.....

Manuscript No.:

The author(s) acknowledged that:

- a) The manuscript submitted is his/her/their own original work;
- b) All authors participated in the work in a substantive way and are prepared to take public responsibility for the work;
- c) All authors have seen and approved the manuscript as submitted;
- d) The manuscript has not been published and is not being submitted or considered for publication elsewhere;
- e) The text, illustrations, and any other materials included in the manuscript do not infringe upon any existing copyright or other rights of anyone.

Furthermore, the Author(s) grant(s) to Journal of Biochemical Technology the worldwide, royalty-free, perpetual, irrevocable, sub licensable, and transferable right to use, reproduce, distribute, transmit, publicly display, publicly perform, prepare derivative works of, and otherwise exploit the work in any form, medium, or format for any lawful purpose.

The Author(s) retain(s) the right to use the work for any lawful purpose, including self-archiving, scholarly sharing, and teaching, provided that Journal of Biochemical Technology is properly acknowledged as the original place of publication.

The Author(s) also agree(s) to properly attribute Journal of Biochemical Technology as the original publisher in any subsequent republication or redistribution of the work.

The Author(s) warrant(s) that he/she/they have the full power and authority to enter into this agreement and to grant the rights granted herein.
